SUBJECT CROSS INDEX

	Month	Page		Month	Page		Month	Page
AATCC			Film Orientation and Slitting Into Yarns	July	46	Yarn	July	44
Joseph H. Jones President of AATCC	Jan.	88	Noise Abatement in Textile Mills	July	49	Enka Adds Ester Staple Capacity	Nov.	66
Water Pollution: Textile Mills Work Hard at Control	Apr.	62	Innovations in Yarn Making	Aug.	22	American Printed Fabrics Council		
Texvo Council to Recruit For Industry Being Formed	May	67	The Art of Printing Textiles	Sept.	87	Robt. Hamburger Heads Print Council	Apr.	53
P. J. Fynn Receives AATCC Award	July	48	The Role and Importance of the Fabric Technologist	Sept.	69	Print Festival Shapes-Up for April 6	Apr.	64
AATCC Parley to Hear 40 Papers	Oct.	78	Manufacturing Techniques of Web Structures	Oct.	89	500 Designs Shown	Sept.	72
AATCC Program, Exhibits Broad and Comprehensive	Nov.	48	Types of Nonwovens and Their Current Market Status	Oct.	93	American Silk Mills, Inc.		
AATT			Modern Developments in Three-Dimensional Fabrics	Nov.	50	Gerli & Co. Buys Amer. Silk Mills	Mar.	8
AATT Joins ASTM	Jan.	98	The Textile Industry Behind the Iron Curtain	Dec.	65	American Textile Machinery Exhibition—International—1969		
Technology Council to Meet	Feb.	5	ACI			A Compact Guide to ATME-I—Summary of Trends, Handy Floor Plan	Oct.	21
Clothing Problems On Low Income to be AATT Topic	Feb.	60	ACI Bows Out—On Terrific Upbeat	Jan.	54	ATME-I Review	Dec.	25
AATT Appoints USASI Delegates May Texvo Council to Recruit For Industry Being Formed	May	67	Acrylic			American Textile Manufacturers Inst.		
P. K. Schwartz Heads Machinery Makers	May	79	Carpet Fibers for the Retailer	Jan.	61	Import Policy Castigated As Textile, Chemical Men Talk Tariff First Time	Jan.	87
AATT To Hold Nonwoven Seminar	June	6	Call To Bright Colors	Feb.	26	Newly Elected ATMI Chiefs	May	80
AATT Technology Symposium At Machinery Show Oct 23	Sept.	70	Cross-Piece-Dyeing Acrylic Carpets	Sept.	60	American Viscose Div., FMC Corp.		
1970 AATT Conference Theme, "Knitted Fabrics—For You?"	Dec.	70	Acrylic Carpet Data Detailed by Monsanto	Oct.	70	Bulked Filament Polyester Adds Dimension to Carpets	Jan.	57
AATT Newsmotes			Aldon Industries, Inc.			AVD Adds Million Lbs. Rayon Staple	Aug.	63
Issue Bibliography of Textile Books	Jan.	98	Aldon Acquires J. M. Muse Corp.	Mar.	60	American Yarn Spinners Assn.		
AATT Papers			Allied Chemical Corp.			Growth Chance the Greatest	Jan.	30
Nonwovens Defined—Divided Into 7 Categories	Jan.	93	Connor Made Allied Chairman, Bessinger Elected President	Feb.	34	Aldex		
Modern Day Techniques of Printing, Dyeing and Finishing	Feb.	57	Allied Chemical To Make Polyester: Plans 80 Mil. Lbs. Unit	Apr.	6	Rohm & Haas Introduces Anim/8, Its Elastic Fiber	Dec.	70
The Wear Testing of Fabrics	Mar.	64	Long Study Preceded Waste Project by Allied Chemical	Nov.	28	Armstrong		
Flammable Fabrics Act and Its Implementation	Mar.	67	American Apparel Mfgs. Assn.			Armstrong Has 2 New Indoor-Outdoor Types	Jan.	77
The Market Status of Warp Knits in Men's Wear	Apr.	43	Panorama for Progress	June	38	Assn. of Yarn Distributors		
Carpet Static Control With Stainless Steel Fibers	May	64	American Barmag			Bishop Heads Group	Jan.	31
Are We Talking About the Same Thing?	June	45	Barmag Introduces New False-Twist Machine	Aug.	35	ASTM		
			American Cyanamid Co.			Olefin Ribbon Yarn Studied by ASTM	Jan.	31
			Two New Paper Fibers	May	77	ASTM Acts to Set Flammability Standards	Jan.	32
			Cyanamid Moves Part of Fibers	Nov.	66	AATT Joins ASTM	Jan.	98
			American Cyanamid Buys IRC	Dec.	70	New ASTM Flammability Section Draws Many to Discuss Tests	Apr.	24
			American Enka Corp.			Floor Covering Tests ASTM Topic June 25	May	34
			Amer. Enka Launches Solt-Hiding Nylon Yarn for Carpet	Feb.	42			
			Enka Showroom	July	36			
			Enka Introduces New Carpet Polyester					

Atkinson Haserick & Co., Inc. Machine Cuts, Rolls, Packages Carpet Jan. 77	Enka Introduces New Carpet Polyester Yarn A Short Semi-Annual Report of Changes and Trends Occurring in the Carpet Industry Aug. 37	Color Matching Instrument Uses Electronics July 43
Atlanta Merchandising Mart Commercial Grades A Hit at Atlanta Market Sept. 55	Accoustical Study Details High Values of Carpet Use Aug. 38	Cone Mills DP Corduroy With Controlled Softness Shown by Cone Mills Feb. 56
Avison Corp. Avison To Build 100 Million Pound Polypropylene Plant Mar. 10	Celanese Market Projection Ties Polyester to Contract Carpet Sept. 57	Richard A. Feis Dies at 43 Dec. 70
Badische Anilin & Soda Fabrik, A. G. Quick Freeze Fabrics On The Way July Barwick Industries Talley Made Barwick Executive V-P Jan. 70	Printing Cross-Piece-Dyeing Acrylic Carpet Sept. 59	Constellation Finishing Co. Solvent Carpet Dyeing Test by Dow and Constellation Nov. 46
Kellar Promoted To Vice Chairman of Barwick Board Jan. 72	Carpet Retailers Fear Possible Dual Distribution Sept. 62	Crown Chemical Corp. Crown Chemical Consolidates With Metro-Atlantic Inc. Feb. 60
Barwick Negotiates to Acquire Cavalier Oct. 70	Monsanto Ties Show Biz to Carpets Oct. 68	Davis & Furber Machine Co. Davis & Furber Ends Some 'Clothing' Output Mar. 50
Barwick Building Distribution Center Nov. 46	Bonded Nonwoven Webs for Carpet Backing Oct. 70	Deering Milliken, Inc. To Build New Tufting Plant Feb. 44
Basic Ceramics Inc. Ceramics Textile Parts Line Introduced May 82	Remote Controls Feature Inspection, Cutting Unit Nov. 39	Doubleknits for Home Sewer May 54
Beaunit Corp. Beaunit Adds Silk Touch to DP May 68	New Geometry Keys Future Of Hercules Olefin Yarn Nov. 40	Dexter Chemical Corp. Foaming in New Jet Machines Suppressed Feb. 56
Beaunit Adds Dyeable Polyester Staple Fiber Aug. 60	Milestone Set With Static Control Built Into Carpet Yarns Nov. 46	Finishing Additive Said to Avoid Spots July 43
Bentley Machinery, Inc. Bentley Machinery Moves May 59	Solvent Carpet Dyeing Test by Dow and Constellation Nov. 46	Disposable Assn., The Hayes Again Heads Disposable Assn. Oct. 94
Better Tufting Tools, Inc. New Products for the Tufting Industry May 32	Carpet, Backing Patchogue-Plymouth Boosts Carpet Backing Capacity May 34	Dorr Woolen Co. Dorr Woolen Clears Air Around Dry-cleaner Sept. 71
Bigelow-Sanford, Inc. Bigelow Organized in Germany, Canada Oct. 70	Dielectric Heating to Speed Carpet Backing Stirrs U. K. Makers May 48	Dow Badische Co. Dow Badische Tells Story of Carpet Mar. 57
Burlington Industries Burlington Producing Woven Polypropylene Carpet Backing Jan. 77	Jute Carpet Backing Strives to Retain Dominant Position May 27	Dow Badische to Add 25 Mil. Lbs. Nylon 6 Apr. 10
Play—Charles Myers Mar. 22	Bonded Nonwoven Webs for Carpet Backing Oct. 70	Marketing Theory: At Dow Badische—Proves Shows Can Be Effective Tool May 33
Burlington Converts Quickly to Polypropylene Carpet Backing May 30	Latex Thickeners Oct. 70	Dow Stresses Research on Flammability Items May 81
300 Industry Leaders Honor Frank Leslie on Retirement Oct. 102	Carpet, Equipment New Equipment Ideas Broaden Market Vista—Push Mills to Keep Up Jan. 74	Two New Words Added At Plant Dedication—Trade Names July 44
Cabin Crafts, Div. of WestPoint Pepperell Stylist Cites Scandinavian Design, Prints in Carpet Apr. 51	IWS Develops Crimp Unit for Carpet Wool May 62	Milestone Set With Static Control Built Into Carpet Yarns Nov. 46
Carborandum Co. Kynol Fiber Is Flame Resistant May 76	Remote Control Feature New Inspection, Cutting Unit Nov. 39	Dalton Invitational Open Dec. 46
Carpet Mel Kellar Is Sure of What's Best for Industry Jan. 40	Singer Has New High-Speed Shag Machine Dec. 42	Dow Chemical Co. Solvent Carpet Dyeing Test by Dow and Constellation Nov. 46
Billion Square Yards a Year Potential in 1970's Jan. 50	Carpet, Indoor-Outdoor Armstrong Has 2 New Indoor-Outdoor Types Jan. 77	Duplan Corp. Duplan Buys Enterprise May 68
Wide Promotion Possibilities for Carpet Detailed Jan. 53	Double-Faced Tape Sells Carpet Tile June 37	Du Pont Growth Chances the Greatest in Yarn Jan. 30
1968 Rug, Carpet Shipments Up 17% Jan. 54	More Color Needed to Add Sales of Indoor-Outdoor Carpet Sept. 62	Du Pont Raises Price of Spunbonded Polypropylene Jan. 70
ACI Bows Out On Terrific Upbeat Jan. Bulked Filament Polyester Adds Dimension to Carpets Jan. 57	Carpet, Tufting Patchogue-Plymouth Double Production of Poly Bac Apr. 54	Disperse Dye Screen Prints Shown on 100% Polyester Apr. 25
The Text of Stevens-Gulistan Warranty Jan. 57	M & Q Has Larger Tubing for Tufting Yarn Apr. 52	Gamble Heads Du Pont's Spunbonded Products Division Apr. 54
Monsanto Sheds Light on Carpet Selection Jan. 59	New Products of the Tufting Industry May 32	Some Possibilities in Carpet Fiber Development Projected May 52
Monsanto Shows Nylon With Anti-Soil Properties Jan. 59	U. S. Concerns Discover European Tufting Is Rocky Road May 45	Second Generation Antron Developed May 52
Carpet Fibers for the Retailer Jan. 61	Waste Dealer or Genius? June 36	Two New Developments at Du Pont Aug. 62
Manmade Fibers Used in Carpet Manufacturing Jan. 62	Carpet, Yarn Bulked Filament Polyester Adds Dimension to Carpets Jan. 57	Bonded Nonwoven Webs for Carpet Backing Oct. 70
Retailer's Biggest Problem—Picking Basic Assortments Jan. 70	Monsanto Shows Nylon With Anti-Soil Properties Jan. 61	Du Pont Emphasizes Technical Service, Promotion Dec. 41
New Carpet Firm Set Up Jan. 70	Carpet Fibers for the Retailer Jan. 61	Dr. H. W. Swank to Head Du Pont Fibers As Russell C. Weigel Retires Dec. 62
New Equipment Ideas Broaden Market Vista Jan. 74	Enka Introduces New Carpet Polyester Yarn July 44	Durable Press DP Corduroy With Controlled Softness Shown by Cone Mills Feb. 56
How to Launch a Fiber With a One-Two Punch Jan. 78	10 Carpet Mills Now Offer Fine Gauge Carpets of Vectra Mar. 40	Beaunit Adds Silk Touch to DP May 68
Dawbarn Rockets Into Big New Plant With Thikol Jan. 82	What Lies Ahead? Part I—Manmade Fibers Dec. 63	UCC Has Prespotter For Durable Press Sept. 72
Call to Bright Colors—Printing Booms Feb. 26	Carpet & Rug Institute First CRI Officers Assume Posts Jan. 72	Dyeing & Finishing 1968—Year of Modernization in Dyeing, Printing, Finishing Feb. 20
Carpet Yardage Gain 25% in 1968, Dollars Up by 21% Feb. 42	Las Vegas in '70 Is CRI Choice Jan. 72	Reasons for Replacing Water with Solvent Feb. 21
Amer. Enka Launches Soil-Hiding Nylon Yarn for Carpet Feb. 42	CRI Convention, Shifts in Fiber Consumption July 34	Call to Bright Colors Stirrs Dye Makers Feb. 23
Carpet Enters New Era of Design Mar. A Short Semi-Annual Report on the Changes and Trends Occurring in the Carpet Industry Mar. 59	George E. Paules: New Chief of CRI Sept. 58	Modern Day Techniques of Printing, Dyeing and Finishing Feb. 57
Stylist Cites Scandinavian Design, Prints in Carpet Apr. 51	Wm. A. Stafford Resigns from CRI Sept. 62	Geigy Happy With Unique Dyestuff Training School Feb. 51
High Flying Carpets Scene Mandates Progress Review Phase-by-Phase May 19	J. C. Shaw Elected Chairman of CRI Nov. 44	New Yarn Package Dyeing Machine Uses Vacuum Pressure Principle Mar. Century-Old Globe Dye Works Finds Polyester Yarn Call Booms Mar. 28
Moultre Mills Abandons King Cotton For Carpet Synthetics May 22	CRI Names Torrence to New Technical Post Nov. 44	Dispersible Dye Screen Print Shown on 100% Polyester Apr. 25
Jute Carpet Backing Strives to Retain Dominant Position May 27	Carpet Retailer Seminar Set For 4 Cities by CRI Dec. 44	Dyeing and Finishing of the Future Apr. 62
Universal Carpet—Banks on Young Management May 28	Thomas Heads CRI Marketing Research Dec. 45	New Flame Test Shows Both Fibers in Blends Must Be Treated May 70
Burlington Converts Quickly to Polypropylene Carpet Backing May 30	Celanese Fibers Marketing Co. Projection Ties Polyester to Contract Carpet Sept. 57	Solvent Finishing, Dyeing at KAE June 42
Some Possibilities in Carpet Fiber Development Projected May 52	Central Yarn & Dyeing Inc. Central Yarn Keeps On Top of New Dye Techniques Nov. 31	Finishing Additive Said to Avoid Spots July 43
Making Tape Yarns On The Loom May IWS Develops Crimp Unit for Carpet Wools May 68	Chemiefaser Lenzing A.G. Making Tape Yarns on the Loom May 53	Inmont Refines Two Screen Print Techniques, Adds Pigment Line July 43
Recognize the Individual—Key to Personnel Success June 35	Cold Spring Bleachery Cold Spring Diversifies by Improving Plant May 72	Roberts Develops Dye Package Winder July 52
Changes Dominate Carpet Industry July 33	Collins & Aikman Static-Free Nylon Tricot Developed by C-A Apr. 10	Beaunit Adds Dyeable Polyester Staple Fiber Aug. 40
	Colorfast Acetate Tricot for Bonding May 54	Cross-Piece-Dyeing Acrylic Carpet Sept. 60
	Commercial Chemical Development Assn. CCDA Elects Oct. 75	The Art of Printing Textiles Sept. 67
	Computers Century-Old Globe Dye Works Finds Polyester Call Booms Mar. 28	Dorr Woolen Clears Air Around Dry-cleaner Sept. 71

Flood of Dye Imports Put at 15-20% of Use Here in '68 Oct. 75
 English Probing Two Developments in Non-Shrink Wool Processing Oct. 77
 Central Yarn Keeps on Top of New Dye Techniques Nov. 31

Eastman Chemical Products, Inc.

New Acetate Yarn Apr. 8
 Eastman Introduces Anti-Flame Acetate Nov. 54

Elastic Fibers

New R & H Fiber Sold in Garments Jan. 9
 Stretch Revival Due With New R & H Fiber Comfort May 77

Enjay Fibers & Laminates Co.

Enjay Adds No-Burn Saran for Drapes Apr. 10

Enterprise

Duplan Buys Enterprise May 68

Europe

U.S. Concerns Discover European Tufting is Rocky Road May 45
 Making Tape Yarns on the Loom May 53
 Quick Freeze Fabrics on the Way July 28

Fabrics

Fabric Formation Systems: Marketing Increases Influence Over Equipment Buying July 22
 Quick Freeze Fabrics on the Way July 56
 We Don't Know Much—About Fabric Flammability Aug. 56

Fabric Laminators Assn.

Laminators Name Trade Advisor Jan. 40

Falcon Mills, Inc.

Water Jet Looms—Formula for Progress July 26

Fancourt Seminar

Students Told: Pick Your Own Area In Booming Textile Field Jan. 89
 Annual Fancourt Recruitment Seminar Oct. 76

Felghery, J. M. Co.

Remote Controls Feature New Inspection, Cutting Unit Nov. 39

Fibers Industries, Inc.

Fiber Industries Sets 130 Million Pound Annual Polyester Output Apr. 6
 Three Polyesters Added in Fortel Aug. 40
 Pilot Waste Water Study Gives Encouraging Indications Nov. 26

Film, Fibrillation

Film Fibrillation Spurts Aug. 23

Film, Slitting

Film Orientation and Slitting Into Yarns July 46

Flammability

Air Force Makes Fiber That Won't Burn Jan. 18
 ASTM Acts to Set Flammability Standards Jan. 32
 Finishing Faces Question Marks Feb. 23
 No-Burn Cotton Will Test Consumer Feb. 6

Flammable Fabrics Act and Its Implementation Mar. 67
 Enjay Adds No-Burn Saran for Drapes Apr. 10

Develop Novel Test Equipment In Fabric Heat Transfer Study Apr. 19

New ASTM Flammability Section Draws Many to Discuss Tests Apr. 24

New Flame Test Shows Both Fibers in Blends Must be Treated May 70

Kynol Yarn is Flame Resistant May 76

Dow Stresses Research on Flammability Item May 81

We Don't Know Much—About Fabric Flammability Aug. 56

Voluntary Standard Urged for Drapes, Curtains Aug. 60

Better Tests for Apparel, Floor Coverings Sought Aug. 59

USASI Ad Hoc Unit Sends Seven Tests to Government Aug. 61

Navy Research Data on Burns and Apparel Widely Published Sept. 71

Eastman Introduces Anti-Flame Acetate Nov. 54

Geigy Chemical Corp.

Geigy Happy With Unique Dyestuff Training School Feb. 51

General Latex & Chemical Corp.

General Latex Adds Two Backing Aids Apr. 54

Gerli & Co., Inc.

Gerli & Co. Buys Amer. Silk Mills Mar. 8

Globe Dye Works Co.

Century-Old Globe Dye Works Finds Polyester Yarn Call Booms Mar. 28

Graphite

UCC Makes Strongest Graphite Yarn for Air Force Apr. 8

Hercules Licensed by Courtauld to Sell, Make Graphite Fiber Apr. 8

Graphite Filaments Spur New 'Composites' Industry June 28

Hercules

Hercules Adjusts Polypropylene Price Jan. 70

Hercules Licensed by Courtauld to Sell, Make Graphite Fiber Apr. 8

Hercules Adds 420D Olefin for Upholstery Apr. 10

Acid Dyeable Olefin Is Bi-component and Textured June 6

New Geometry Keys Future of Hercules Olefin Yarns Nov. 40

Home Furnishings

Enjay Adds No-Burn Saran for Drapes Apr. 10

Hercules Adds 420D Olefin for Upholstery Apr. 10

Better Test for Apparel, Floor Coverings Suggested Aug. 59

Voluntary Standard Urged for Drapes, Curtains Aug. 60

Honeywell's Apparatus Controls Div.

New Controller Regulates Yarn Conditioning Heaters Nov. 54B

Ideal Industries

W & S to Acquire Ideal Industries Mar. 8

Inmont Corp.

Inmont Refines 2 Screen Print Techniques, Adds Pigment Line July 43

International Home Furnishing Market

Color is Rampant—Printing Booms Feb. 37

International Wool Secretariat

IWS Develops Crimp Unit for Carpet Wools May 68

Imports

Yarn Spinners Plan Import War Jan. 30

Import Policy Castigated as Textile, Chemical Men Talk Tariff First Time Jan. 87

New SOCOMA Head Hopes for "Fair Trade" Basis Jan. 88

Congress Must Act—on imports July 6

Flood of Dye Imports Put at 15-20% of Use Here in '68 Oct. 75

James Carpet Co., Inc.

New Carpet Firm Set Up Jan. 70

Kendall Co., The

Kendall Launches New Type Non-Woven Combining Web, Film Apr. 10

Knits

Future Fibers and Fabrics in Men's Wear Knits Apr. 41

The Market Status of Warp Knits in Men's Wear Apr. 43

Market Status and Trends in Circular Knit Fabrics Apr. 43

Major Knitwear Trends Expected to Continue Apr. 45

Sophisticated Hosiery Market Calls for Sharper Merchandising Apr. 46

Knitting Rise Projected at 5-6% for 5 Years July 23

Doubleknits for Home Sewer May 54

A. J. Wulschleger Upholds Quality Image of Father June 20

Knitting Arts Show

Preview of 49th KAE Apr. 31

Kodaras Acoustical Laboratories

Acoustical Study Details High Values of Carpet Use Aug. 38

Lees Carpets, Div. of Burlington Industries

Modacrylic Used On Walls and Floor Sept. 62

Lindley & Co.

Lindley Marketing Narrow Fabric Inspector Sept. 64

New Inspector Unit Monitors Yarn Defects During Beaming Oct. 44

London-Intertherm, Ltd.

Dielectric Heating Use to Speed Carpet Backing Stirrs U. K. Makers May 48

Looms

Fabric Formation Systems: Marketing Increases Influence Over Equipment Buying July 22

M. Lowenstein & Sons, Inc. No-Burn Cottons Will Test Consumer Feb. 6

Machinery

Textile Machinery Design to Benefit From Space Age Technology Feb. 33
